

2016

SMART GROWTH CONFERENCE

Sponsorship Package

Thursday, June 2 • DCU Center • 50 Foster St., Worcester

Join public, private, and civic leaders at the state's premier sustainable development event to explore:

- Achieving a good housing density, income mix, and location
- Effective placemaking techniques
- Fiscal and economic development strategies for a thriving downtown
- Communities that are healthy, walkable, diverse, and resilient

We expect upwards of 500 attendees including: business and nonprofit leaders; municipal and state officials; real estate developers, planners, and architects; community organizations and economic development, environmental, housing, public health and transportation policy experts.

Highlights

State and national plenary speakers (Governor Baker invited)

Breakout sessions with practical tools and information for communities

Hands-on workshops

Networking and session formats to maximize interaction between attendees
